

Prevent cockroaches

PRECISION
PEST CONTROL

- Clean counters, floors, stovetops, tables and other surfaces.
- Keep ALL surfaces and floors crumb-free.
- Wipe down all surfaces after every use.
- Take out garbage often.
- Store all food in sealed, airtight containers.
- Vacuum regularly.
- Fix leaky taps and pipes.
- Only allow eating in one room.
- Store pet food in airtight containers.
- Seal up gaps in windows and doors.
- Inspect boxes and bags of shopping – cockroaches can hide in these and travel into your house.
- Keep mulch away from your house.

- Keep firewood or council pick-up furniture near your house.
- Leave food out overnight or during the day.
- Leave dishes in the sink 'to soak' overnight.
